R95   knit 16 white, change to black knit 2, tie off black, change to white knit 19, change to black knit 2, tie off black change to white knit 16

R96 – 112 knit 55 white

Knit 2 rows in black – 114 Rows

Repeat rows 3 – 114 twice

This should result in 3 flags in a row.

Cast off.

Feel free to change the pattern around for example if you only wanted one flag in the middle you could just knit the first panel of 114 rows and the last panel of 114 rows in either black red or blue, or stripes.

Below is an example of what one panel with borders at each end might look like: (Courtesy of Chris Lanshaw who offered to test my pattern for me)

Happy knitting!!!
