

Grevillea victoriae, Royal Grevillea. A rounded frost tolerant shrub. Flower colour is variable.

Eucalyptus macrorhyncha Red Stringybark with *Phyllotocus navicularis*, Nectar Scarab.

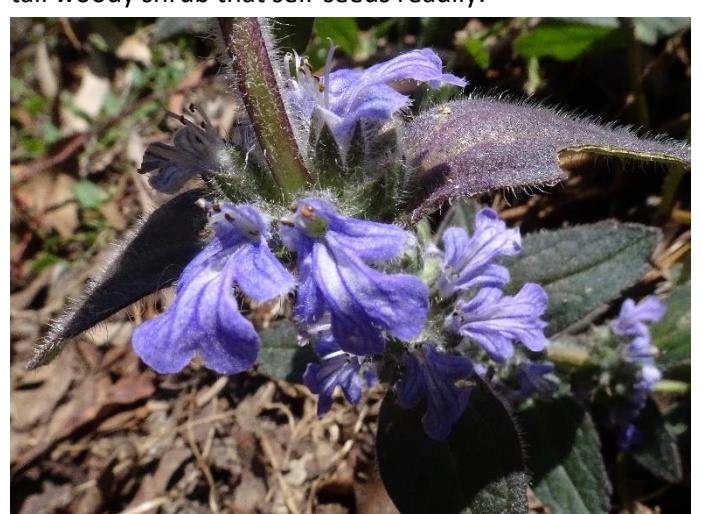

Goodenia ovata, Hop Goodenia. A small, rounded shrub that responds well to pruning.

Solanum linearifolium, Mountain Kangaroo Apple. A tall woody shrub that self-seeds readily.

Bursaria spinosa, Blackthorn. A small tree or shrub. An understory species of eucalypt woodland, attractive to insects at flowering.

Ajuga australis, Blue Devil. A perennial herb with a basal rosette of leaves. It prefers semi shaded conditions.

Pelargonium sp. Striatellum, Omeo Storksbill. An endangered species associated with basalt lakes.

Pelargonium australe, Native Pelargonium. Best known of the seven Australian pelargonium species.

Podolepis jaceoides, Showy Copper-wire Daisy. An attractive long flowering perennial daisy.

Calocephalus citreus, Lemon Beauty-heads. A low perennial daisy with silvery foliage.

Dichondra repens, Kidney Weed. An herbaceous perennial with a creeping habit that likes wet locations

Marsilea drummondii, Nardoo. An aquatic fern that is beneficial for frogs. They are noisily calling here today.

Our working bees are continuing in these uncertain times. Check in CBR is required at our shed. A BYO morning tea is held at the tables near the shed. We have sufficient chairs to be able to space out.

These photos were taken by Andy Russell on Monday January 31st, 2022. The postal address for STEP is PO Box 440, Jamison Centre, ACT 2614.
